

Reading

We have been focusing on the comprehension aspect of reading, looking at punctuation and asking questions. Please take your time when reading with your child to ensure they are understanding the text.

Why not try adding yourself into the story?!

Next week...

We will be getting busy with Spring activities. We will be searching for signs of Spring and creating Spring pictures and poems!

Baby pictures

We will be looking at growing and how *we* have grown! If you have a photo of your child when they were younger we would love to see it! (No precious photos please!)

Parents Evening

A final reminder to please book your appointment for either the 21st or 22nd March. If you are not sure how to do this please speak to the class teacher.

Week ending

16.03.18

Poppy, Bluebell and Sunflower Class

PSA

Final reminder about our EYFS Hot Chocolate event on **Monday 19th March**. Please arrive through the large hall doors. Any craft donations for bonnets and cards will be gratefully recieved by Miss Wheatley.

This week...

Our topic focus has been about builders! We have talked about how important they are and how many different types of buildings they make! In literacy we have been having a go at writing instructions using bossy (imperative) verbs. Example: **Put** the blue brick on top of the yellow.

Maths

In Maths this week we have been practising counting on to find the answer and having a go at filling in the missing numbers.

$$2 + _ = 4$$

Maths Workshop

We will be holding a Maths workshop on **Friday 27th April from 9-10**. The last half an hour will be spent in the classroom with your child.
