

ADVANCED CHESS TRAINING WITH MARCUS GOSLING

CHESS AT FERN HILL SCHOOL

We would like to invite your child to take part in advanced **chess training**. We have a brand new teacher this term, Marcus Gosling, who works in collaboration with our current teacher, Kathy. He is president of the brand new Epsom Chess Club.

Chess is a challenging and enjoyable pastime that develops a child's understanding of action and response. It not only requires great creativity, but also planning, precision, concentration, logic and decision-making, besides many other attributes, as well as being a fun social activity. All of this aids a child's development, and will help them learn crucial skills that are proven to quicken academic progress.

This term, pupils will have the opportunity to learn new chess techniques in the opening, middlegame and endgame, as well as play both competitive and more relaxed games against their peers.

The club will take place on **TUESDAYS** after school, **3.30 - 4.30pm**.

The first class this term will be on **Tuesday 11th September**.

If you would like your child to join Marcus's chess training sessions, comprised of a total of **12 weeks**, fill in and tear off the form below and send it to the address below **before 2nd September** with the fee for this term of **£77.00**. This includes a brand new themed chess scorebook that the class will be using throughout the year. Please make cheques payable to **Marcus Gosling, 6 Elmshorn, Epsom, Surrey, KT17 3PE**. Cash is also accepted. If neither is possible, please contact Marcus directly.

Marcus has recently published a 118-page interactive chess book, 'Become a Chess Secret Agent' (see below), aimed at those wanting to improve to intermediate standard. There is an introduction to the rules for non-chess-playing parents to support their children. If you would like to purchase this book, which is an excellent supplement to Marcus's lessons, please add an additional £8.00 to the cheque.

PLEASE NOTE - we have a maximum of around 26 places at the club, so please apply early to avoid disappointment.

INDIVIDUAL TUITION - Marcus also does private evening tuition for both children and adults, and you can contact him regarding this using the details below.
