

### Phonics

Our sounds this week were 'g' for goat, 'o' for orange, 'c' for can and 'k' for king.

We are beginning to encourage the children to blend (word-build) with the sounds we've learnt.

eg. d-o-g = dog

### Our focus this week:

We've had a busy week with our phonics-themed learning! We have read gruffalo stories, made fresh orange juice, made crowns fit for a king and made kites.

You can download the Jolly Phonics app onto your smart phone or tablet for free!

## Week ending 19/10/18

Poppy, Bluebell and  
Sunflower Class

### Maths:

We have been learning about patterns this week. We have made patterns out of natural materials, paints and shapes. We have had a go at making patterns using ourselves eg. cardigan no cardigan, green eyes blue eyes.

Can you spot any patterns in the environment?

### Further Information:

We are having fun reading with your children each week and hope you are enjoying it at home too!

Please remember to make a comment in the diary when you read with your child. We love to hear how they are getting on!

### Next week:

The sounds next week will be 'ck' as in sock 'e' as in elephant 'u' as in umbrella 'r' as in red. Have a go at home, if you want to!

We have enjoyed the topic of 'ourselves' and leaning all about your children.

### After half term:

We have got another busy half term planned - We will be starting of the half term thinking about **Space**! Have a chat about Space and see what you can find out to share with the class.

### Parent Consultations:

Thank you for joining us to discuss your child's learning during parent consultations this week. It was lovely to be able to speak to you all about your lovely children!

### Reading books

Please remember to put your children's reading records, books and word wallets in their book bags. In order for us to give your child the appropriate level book, it is vital that all children return previous books.
