Celebrations

We have continued our celebration topic this week and have learnt all about Bonfire Night and Diwali. We made our own rangoli patterns using paint, chalk and glitter and our own diva lamps using playdough. Don't forget to send in photos/info about your own family celebrations to add to our display!

Jungle/Elmer!

Next week we will be transforming our role play area into a jungle, this will be kick started on Monday when we welcome Zoolab into Daisy Class!

We will then be introducing Elmer to our jungle! If you have any Elmer books at home, please read them with your child.

With Elmer's help, we will be looking at colours and patterns so see what you can spot when you are out and about!

Fireworks

Inspired by Bonfire night and Diwali, we got creative with glitter and glue, creating our own firework pictures. We have also used shapes to make firework pictures in the maths area. We used chunky chalks outside on the ground to draw our own fireworks too!

Trips

There are still a number of outstanding payments for trips taking place this term. Please make sure that you have paid for the trips that will be taking place this term. **The total is £7.05.** The easiest way to pay for these events is via **ParentPay** and this would be the preferred method of payment.

Wellies

We go outside in most weather and change into wellies if it is wet/muddy. Please ensure you have provided a pair of wellies for your child. We have a number of spare pairs but sadly not enough for all of Daisy Class!

Challenge!

Now that the weather is colder and we need to wrap up warm, it is a great time to have a go at putting your own coat on! It may take a few attempts to start with however you will soon get the hang of it
