

## Year Two

---

Dear Parents and Carers,

It was great to meet with most of our parents this week and we hope you found the consultations evenings informative. Linked to our latest text, we will be making healthy sandwiches next week. Please ensure your class teacher knows of any allergies or restrictions.

---

### **English & Maths**

In English, we have started to study our latest text, The Lighthouse Keeper's Lunch by Ronda & David Armitage. The children have been immersing themselves in the story in preparation for writing letters next week.

In Maths, we have been using number bonds to 10 and 20 to solve addition and subtraction calculations. We have been using number lines to practise making the next nearest ten to encourage children to work systematically and efficiently.

---

### **Science & Topic**

In Science, we have been thinking about animal survival and the children created some fantastic drawings of food chains showing the producers and consumers. In Topic, we looked at seaside in past and present and discussed how a day out at the seaside has changed.

### **Cube Jar Treat!**

The children have worked hard and made great choices and all three classes are having a Cube Jar Treat on Thursday 24<sup>th</sup> October in the afternoon. Your child is welcome to bring in a small toy (no electronic gadgets thank you) in a named bag. We will provide a healthy snack.

---

### **Notices**

#### **Upcoming dates:**

***Half term starts at 3.20pm on Thursday 24<sup>th</sup> October.  
Children return to school on Wednesday 6<sup>th</sup> of November***

### **Deputy Headteacher's Award**

#### **Bracken**
