

Year 4

Dear Parents & Carers,

In English this week, we have started our new text! Since the beginning of term, we have been reading 'Stig of the Dump' as our class story, and we have now started immersing ourselves in the beginning chapters ready to write a narrative!

In Maths this week, we have been focusing on efficient methods for subtraction. Thank you to those parents who came to observe our lesson on efficient subtraction (compensation) – we hope this was informative!

As part of our Italy topic, we have our trip to Pizza Express coming up soon! Thank you to those volunteers who have offered to support their class. We will send out a letter to confirm whether we need your help. If you *don't* receive a letter, your support is not required for this day (thank you though!). Chestnut and Yew class will be sending out letters to parents today, however Larch class are still waiting on some consent forms to come back.

Have a lovely weekend!

Year 4 Team 😊

Date Reminders

Tuesday 19th November

Flu immunisations (nasal spray).

26th & 27th November

Pizza Express trips

Thursday 12th December

Silver Badge Test

Friday 13th December

Italian Day and Homework Due

Announcements

As part of our Electricity topic, children will be creating a Buzzwire Game. All children will need a shoebox for this. Please could these be brought in **W/C 9th December 9** (no earlier).

Homework Reminder

Please complete work on Mathletics. We have been finishing off addition and subtraction, thinking about efficient methods.

Don't forget to read, practice spellings and times tables! 😊
