We love inspiring children to get creative!

Our art club follows a carefully considered programme of creative projects covering drawing skills, painting techniques, working with different media and craft projects. Sometimes there is a seasonal bias and sometimes we learn about famous painters. Magpie Makes is a local business specialising in stimulating children's creativity and bringing some extra colour into their lives.

Costs cover the cost of all art materials which are of high quality.

We take bookings on a first come, first served basis but when your child has a place they will be prioritised to keep their place each term if they'd like to stay on.

How to book:

Please send an email to suzie@magpiemakes.co.uk and include the school and the club day you would like to book and you will receive a reply with a booking link. Places will go to the first 15 parents in each club day to complete the booking process online. If you miss out on a place, please do email us to be added to the waiting list.

Paying online incurs a small credit card fee. If you would rather pay by bank transfer please email to ask for details. (payable in 2 instalments if useful)

For your reassurance all Magpie Makes club leaders are DBS checked, first aid trained and have completed a child protection course.
